Customer satisfaction Fairly achieved through open honest communication. Checks or credit Cards I will relist any item not paid for in 10 days unless I hear from you. I know stuff happens but drop me an email so I know you didnt forget about me. Shipping Flat rate and listed in shipping details. I use delivery confirmation on all my shipments to avoid any misunderstandings. I will combine shipping to save you money whenever possible.

Shipping rates are for Cont. Us only. Powered by The free listing tool. List your items fast and easy and manage your active items. RcmdId ViewItemDescV4,RlogId p4%60bo7%60jtb9%3Fvo%7B%3Dd70f%2Bf54%3E147231627f60x105 Works great. From the 80s. Doesnt come with an ac adapter but it will come with batteries. I do combine shipping. I ship out quickly by USPS first class mail, usually within 24 hours of receiving cleared payment. Normal delivery time is 26 business days, depending on location. Shipping times are quoted by the USPS and are not guaranteed by the seller as we have no control over the USPS Please be patient. Payment is appreciated within four days of auction ending. If you need more time please let me know. If I dont hear from you within that time I will relist the item. I do my best to list accurately. If something was overlooked with any of the clothing, please know it was unintentional. If you receive an item that is not what. I cannot make a sale right, if I do not know there was a problem. Im sure we can work something out. Thank you for looking. Happy Bidding! Great little machine allows one to isolate different rhythms. Quarter notes. Eighth, sixteenths and triplets. You can adjust the volume of each rhythm and change beats for odd time phrases. Bright red light for visual reference. Brand new battery installed. Great when you are in a hurry and need next tempo. Only cosmetic issues. I wrote my name last on the unit and have an address label affixed to the inside cover. The velcro and label can be removed if you wish to do so. Power supply not included. I found the 9 volt battery option easier, but you can pick up a power cord fairly easily. Get it now. You know you want to. I do

list the significant flaws but not every minor detail. I describe items accurately and provide detailed photos. If you have questions. Please ask BEFORE you bid. World Wide Through Ebay global shipping I have GREAT feedback.

As a buyer I leave positive feedback as soon as I have inspected the goods to be as stated in the auction or if I have a problem I contact the seller. As a seller I will expect to be treated the same way. Once you receive your item in good standing. Please leave me positive feedback and I will do the same. If your item is not satisfactory please contact me right away as I am a reasonable person and I believe that most situations can be resolved to the satisfaction of both parties involved. Thanks and happy bidding. It works great and is ready to use as soon as it arrives. Uses a 9volt battery not included From a super clean. Smokefree and petfree home. This is the only one I have. Thanks and enjoy! 006.RcmdId ViewItemDescV4,RlogId

Not your staff with Kyojou Has some scuffs. Case is not included. Power adapter is not included. If you have any questions or problems. Please contact us before leaving feedback or opening not as described dispute. We will do everything in our power to help with any issues you may have with item. Posted with I bought this one used. And it had been old faithful for me in my marching band days, but these days it could use a new home. Perfect for developing rhythm and general practice. Has a headphone out for private practice, and has a small LED that flashes for silent metronome function. Runs on a single 9V battery, it also accepts an AC adapter, but I never had the adapter for this model. Feel free to ask questions, and happy bidding. 16.RcmdId ViewItemDescV4,RlogId p4%60bo7%60jtb9%3Feog4d71f%2B%3E16%3E14a7857e24d0x10c Thanks to its innovative features and helpful sliderbased control over individual note volumes. Eighth note afterbeats, sixteenth note afterbeats and eighth note triplets, Two LEDs for visual monitoring of beats and downbeat, Can be set for up to six beats per measure, Tap mode for setting the tempo by tapping a key on the DB66, A440 tone for acoustic instrument tuning, This is a very cool BOSS Dr. Beat DB66 multi function metronome made by Roland in the 1980s. It is in GREAT condition with minimum wear and works wonderfully. I have the newer generation unit and just see no reason to have both. I have included a photo of the battery case so you can see that their has never been a leak in the back. All looks clean and sharp. No power supply or case is included. What you see id the actual unit you will receive. Shipping is FREE anywhere in the USA. Out of county would be the actually price but please be prepared to pay the shipping as I would have to box it and get a quote for you then send an invoice. Also. Please pay within 7 days via Pay Pal. I will ship your box the day after I receive payment via USPS Priority Mail.

Ask any questions, I will be happy to answer. Thanks for the look and happy bidding. A great tool for practicing with several different rhythms capable of running simultaneously at different volumes. Make your guitar teacher happy. Practice with a metronome. Please check the fields highlighted in

red.Currency.
